Just
Smile

Some cause happiness wherever they go. Others whenever they go.

There's a fine line between cuddling and holding someone down so they can't get away.

I used to be indecisive. Now I'm not sure.

I always take life with a grain of salt, plus a slice of lemon, and a shot of tequila.

When tempted to fight fire with fire, remember that the Fire Department usually uses water.

A diplomat is someone who can tell you to go to hell in such a way that you will look forward to the trip.

Hospitality: making your guests feel like they're at home, even if you wish they were.

Money can't buy happiness, but it sure makes misery easier to live with.
